

Minutes
Ordinance Committee Meeting
07/27/2023
6:00 p.m. Peru City Hall

The committee meeting was called to order by acting chair Marty Peregoy at 6:00 p.m. Present were committee members Vanessa Sherman, Cate Mandigo, and Marty Peregoy. Absent was Mayor Dave Pease. Theresa Westfall attended as a guest community member.

As this was the first meeting of the committee, there were no minutes from the previous meeting, nor was there any old business. The agenda was adopted with flexibility.

Committee members introduced themselves, and a contact list was created. It will be disseminated via e-mail. Vanessa Sherman volunteered to be chair, as there was nobody else interested. No one expressed an interest in becoming secretary.

Members were asked to consider appropriate goals for the remainder of the year and the plan is to discuss them at the August 1, 2023 meeting.

The group discussed various ways in which the city's ordinances might be reviewed, including dividing them among the various other city committees, reviewing specific sections each month, and asking community members which ordinances they felt were currently lacking in the community. No consensus was reached.

The group discussed ordinances needing immediate review: peddler/vendor permits, and ordinances regulating water bills/service. Vanessa will bring Auburn and Nebraska City peddler/vendor ordinances to the August 1, 2023 meeting.

The group discussed publishing the minutes of each meeting so that they would be available to the public, and letting the public know that they are welcome to attend future meetings.

There being no further business, the meeting was adjourned at 7:10 p.m.

Minutes recorded by acting secretary Marty Peregoy.
